

**The Woods of Gleannloch Farms
Section Eight Supplement**

RESIDENTIAL DESIGN GUIDELINES

Gleannloch Farms Community Association Inc

FOREWORD

Gleannloch Farms is being developed as a master planned residential community. This document is presented as a minimum set of development guidelines and standards for Gleannloch Farms Section Eight - The Woods. The intended use is to provide an understanding of responsibilities of the Developer and the Builder, to develop a framework to illustrate and define design objectives and requirements to create a unified, harmonious setting for divergent lifestyles and tastes inherent in a planned development.

These guidelines are supplemental to The Declaration of Covenants, Conditions and Restrictions, and are to be used by the Architectural Review Committee (ARC) in review of plans submitted, as required by builders. Non-compliance with these guidelines is grounds for disapproval of plans. These guidelines are also for use as a standard for future compliance to maintain the integrity of the community.

Illustrative examples and descriptions are meant to insure an orderly, well-maintained sense of an attractive environment for the residents of Gleannloch Farms.

Gleannloch Farms is located in Northwest Harris County, Texas in the extra-territorial jurisdiction of the City of Houston. Rules and regulations of these entities supercede the residential guidelines.

SITE LAYOUT

Residential Driveway/Garage Placement for Section Eight - The Woods of Gleannloch Farms

The following is a list by lot and block number dictating location of residential driveways and garages. Locations of driveways and garages have been determined for reasons of aesthetics, vehicular circulation and safety.

The designation of left, right or optional is determined by viewing the lot from the street right - of-way facing the lot. Side lot loading is not permitted. A variance request, in writing, may be considered for certain lots having frontage on two sides if the garage is set back from the right-of-way twenty feet (20').

Left Side: *Block 2 – lot 1*
 Block 4 – lot 1

Right Side: *Block 1 – lot 1*

LANDSCAPE

Minimum Residential Landscaping Requirements • Lots 70' - 75' Wide

TREES

Three machine dug and two thirty gallon (30 gal.) container grown trees selected from the plant material list (preferred specimen trees) in the Landscape section of the Gleannloch Farms Residential Guidelines are required on lots 70' - 75' wide. It is recommended that at least one of the required trees be a loblolly pine or oak tree. The required trees must be a minimum of 4" caliper. When lots front and side on two streets, there shall be an additional three trees for side yard. Lots adjoining golf course, lakes or open spaces require two additional trees in rear or side yard. Pine trees are preferred, but other large trees of equal size from the approved plant list, may be considered for variances by the ARC.

SHRUBS

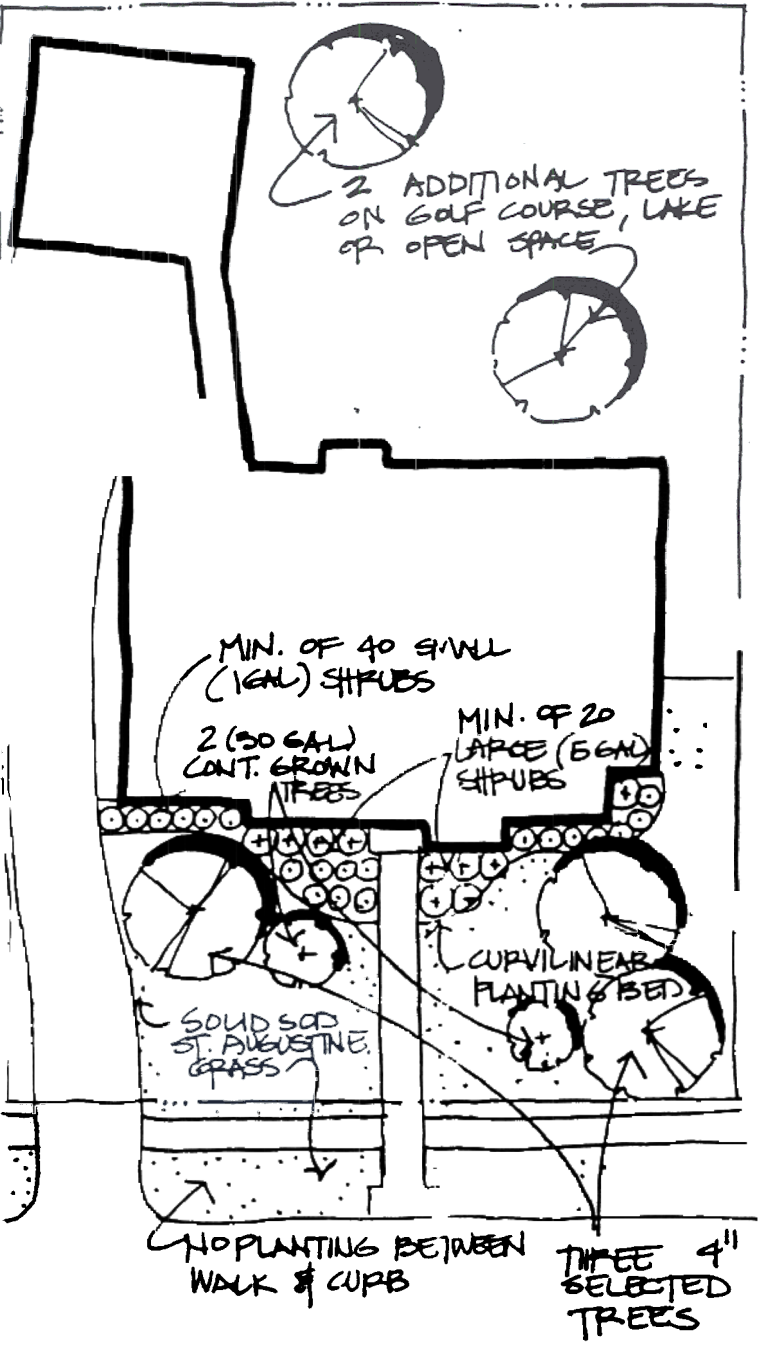

Lots 70'-75' wide require the planting of a minimum of 40 small one gallon shrubs and 20 large five gallon shrubs.

Planting beds are to be curvilinear with the shrubs massed in tiers - smaller shrubs in the front of the bed. Groupings of shrubs of the same species provide a substantial look. A single row of foundation planting is not acceptable. Radius beds 10' minimum from building and vary widths of beds. Mulch all beds with 2" shredded pine bark.

No gravel or rock of any size or color is permitted for use or substitution for shrubs, ground cover, mulch or grass lawns. Specimen boulders and stone borders are permitted.

All grass visible from the street is to be St. Augustine, (solid sod).

Plants used as minimum requirements shall be selected from the approved plant list.
