Gleannloch embodies all that I treasure most, family, community and relationships. Being a police officer and being able to work with so many different people and personalities is a huge strength. Having an understanding of community and being able to listen, learn and compromise is something that I take an immense amount of pride in. Being on the Board will give me the opportunity to establish those relationships not just with outside agencies but with the residents and owners in doing what's best for our community.
