

GLEANNLOCH FARMS COMMUNITY ASSOCIATION
BOARD OF DIRECTORS
NOMINATION FORM

I, Shannon Thoftne hereby submit my name for consideration for nomination to the Board of Directors of Gleannloch Farms Community Association, Inc.

Occupation: Manager at Harris County Engineering

Education: Graduated from High School and joined the US Navy where I spent 26 years before I retired in 2014 here in Gleannloch Farms, I knew immediately this was the neighborhood for me and my family.

Outside Activities: I like to Golf, Hunt, Ski, Corn Hole, and play Pickle Ball.

I think I would be an asset to the Board of Directors because: I'm a BOOTS ON THE GROUND Board Member during my time on the board I played a pivotal role in many improvements to the neighborhood to include Lazy River Pool, Pickle Ball Courts, Southerloch Lake, Bark Park, Champion Forest Dr Sidewalk and several other amenity improvements. We need to improve our facilities, and I have a plan to do just that, some of which include new pickle ball courts new tennis court lighting, baseball field upgrades and several others. With your support, we can make these upgrades a reality – and more- to ensure our neighborhood remains as attractive and desirable as it was when it was first built. These improvements are key to maintaining our property values and keeping our community a place we're all proud to call home. Let's keep the Momentum Going – I'd be Honored to Have your Vote!!
