

GLEANNLOCH FARMS COMMUNITY ASSOCIATION  
BOARD OF DIRECTORS  
NOMINATION FORM

I, Brian Ambridge

Hereby submit my name for consideration for nomination to the Board of Directors of Gleannloch Farms Community Association, Inc.

Occupation: Senior Legal/Compliance Operations Manager for a global aerospace manufacturer

Education: Bachelors of Science from University of Houston

Outside Activities: I serve as Vice President of Events for the Klein Education Foundation, leading fundraising for our schools. As a father to daughters aged 11 and 14, I am deeply invested in our youth. When not coordinating community events, I am a fixture on the sidelines for sports and cheer or traveling with my wife and girls.

I think I would be an asset to the Board of Directors because: (limited to 350 words or less)

I offer a unique synergy of professional discipline and deep community commitment. From my experience in the aerospace industry, I bring expertise in governance, risk management, and operational efficiency. These are critical assets for ensuring the long-term sustainability and excellence of our HOA. My background in leading community fundraising initiatives has proven my ability to drive successful programs. This perspective ensures my contributions are always rooted in the actual needs of Gleannloch Farms families. As an 8-year resident I am ready to apply my disciplined, community-first mindset to move our neighborhood forward together.

Endorsements by Co-Owners (Optional)
