A Gleannloch Farms resident since 2003, I've spent more than two decades serving our community — from eight years on the Parade Committee, to leadership roles in Frank PTO and the Klein Oak Strutters, to three years on the GLF Board where I've supported improvements that protect our property values. As a local realtor and a parent of four KISD graduates, I'm deeply invested in preserving the character, history, and quality of life that make GLF special.
